Sir:

INFORMATION DISCLOSURE STATEMENT

As suggested by 37 C.F.R. 1.97, the undersigned attorney brings to the attention of the Patent and Trademark Office the references listed on the attached form PTO/SB/08/a for consideration by the Examiner. These documents were found after consideration of the Examiner's most recent arguments. While they are believed to be only cumulative of the prior art of record, they are listed for the Examiner's consideration out of an abundance of caution as the Examiner may interpret them as being more relevant than applicant believes.

Consideration of the foregoing plus the return of a copy of the herewith Form PTO/SB/08/a with the Examiner's initials in the left column per MPEP 609 along with an early action on the merits of this application are earnestly solicited.

This Information Disclosure Statement is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under Rule 97(f), to enable Applicant to comply fully.

This is not to be construed as a representation that a search has been made or that no better prior art exists, or that a reference is relevant merely because cited.

LYON, Roy
Serial No. 10/510,603

Respectfully submitted,

NIXON & VANDERHYE P.C.
